THE INVESTMENT PROGRAM is a partnership that you make with God to raise funds for missionary outreach. You are encouraged to have a personal project where you can witness what can happen when you and God work together. Recycling for cash is one way to raise funds for Investment, while also being responsible and kind to our planet. Jim Bellamy, Investment Leader for our church, is continuing the group project of collecting metal items that can be recycled for cash- steel, iron, aluminum, brass, copper (which includes wire and electrical cords, cans, appliances, water heaters, anything with metal), car batteries, and more. Please leave your metal donations by the Pole Barn, not by the house.
